

DIGITAL SHEET PRODUCTS

Optimized for HP Indigo Digital Presses

March 2017

Wausau Coated Products offers a variety of pressure sensitive sheet stock products optimized to run on HP Indigo Presses including coated papers, films and die cuts.

We continue to expand our digital product offerings and have years of experience top coating a wide variety of substrates to make them compatible for HP Indigo Presses. In addition, we work closely with HP Indigo and RIT to ensure our products will consistently perform to your expectations. For more information regarding these products please contact our Customer Service Department at 800-345-8039.

SB = Scored Back
-0- = Zero Score

Consult your HP Indigo Press specifications for media recommendations regarding weight, thickness, and substrate type.

It is always recommended to acquire samples and evaluate its performance for your individual application requirements, particularly any post finishing processes.
