Wausau Coated introduces two new products to our catagory line of Pressure Sensitive Removables. Removable adhesives are designed to hold a temporary bond without leaving leftover residue, allowing for clean label removal. It functions most effectively on smooth surfaces including glass, paper and partial metal.

Removables are suited for many unique applications. Below are these products in our most popular sizes, stocked and ready to ship from our Wausau warehouse.

For additional information contact our Customer Service Department at **800-345-8039** or visit our website at **wausaucoated.com**

Removables Q & A

How long do Removables remain removable?

Depends on where it's stored and what it's being applied to. In an uncontrolled environment the removable adhesive can create a heavier bond.

Are special adhesives need if long-term removal is required?

For long-term removability, you will require and ultra-removable, like WCP Ultra Remo. While being able to adhere to most substrates, it offers long-term removability that appleals to customers seeking this solution.

The following Digital Pressure Sensitive products opimized for HP Indigo Presses are stocked and ready to ship:

Product #	Description	Adhesive	Liner	Size	Scoring	Sheets per Ctn
