## Wine Label Sheet Stock Bulletin - Dual Digital

Wausau Coated Products introduces carton stock items designed for wine label applications.

Four distinct facestock options will give your brand a unique and upscale look. Suitable for both HP Indigo and Production Digital Presses, all have wet strength properties and are FSC® certified.

The special permanent adhesive provides excellent anchorage. It was engineered to provide excellent high initial tack and quick label adhesion onto glass. It is the ideal choice for wine and spirits with improved resistance to moisture and humidity after bottling.
