

UV INKJET MEDIA STOCK LIST

Wausau Coated offers an assortment of pressure sensitive roll products that are engineered specifically for UV Inkjet presses. Select from a variety of paper, film or specialty facestocks to fit your specific needs. We continue to expand our digital product offerings and work closely with OEMs (Original Equipment Manufacturers) to ensure that our products will consistently perform to your expectations.

The items listed are stocked and available for immediate shipment with a low minimum order quantity. Trial rolls are available and recommended to determine the suitability of any product for a particular application. In addition to our stocked items, we can mix and match many of our facestocks with various adhesive technologies and liner options.
